Water Heater: _____ X \$50.00 = \$ _____
Amount Due

Include documentation with form and return to any Mission Valley Power Office;

- See Commercial Water Heater (Tank Type) Specifications on Page 2
- Copy of Receipt of Purchase
- Copy of Yellow Energy Guide Sticker or Label from Shipping Box (w/model # & Energy Factor)

I certify that this water heater was purchased for installation at the above address. I will allow a representative of Mission Valley Power and/or Bonneville Power Administration to verify installation of the energy efficient water heater.

Buyer Signature

Utility Representative Signature

* Allow up to 8 weeks for the billing credit to be applied to your account after receiving completed form and documentation.
Most of the yellow Energy Guide stickers do not have the EF rating on their labels. We look up the EF rating on this website:
AHRI Directory of Certified Product Performance to confirm that the water heater is eligible for an incentive.

Commercial – Tank Type Water Heater

Preconditions:

This measure is available for retrofits only.

Post-conditions:

An electric storage water heater on the BPA Commercial Electric Water Heaters Qualified Products List that meets the following requirements:

- Electric storage water heater (uses only resistance electric heat);
- A capacity of 25 to 120 gallons; and
- The efficient case maximum heat loss for the tank size does not exceed the measurement detailed in the table below.

BPA will accept all products that are on the BPA Commercial Electric Water Heaters Qualified Products List located in the [IM Document Library](#).

If a product meets these requirements, but is not on the Commercial Electric Water Heaters QPL, please use the [COTR Request and Acknowledgement Procedure](#) for approval to use the product.

<i>Gallons</i>	<i>Minimum Requirements</i>	<i>Reimbursement</i>
25 – 34.99	Standby loss of 157 or lower	\$50.00
35 – 44.99	Standby loss of 185 or lower	\$50.00
45 – 54.99	Standby loss of 201 or lower	\$50.00
55 – 74.99	Standby loss of 238 or lower	\$50.00
75 – 99.99	Standby loss of 249 or lower	\$50.00
100 – 119.99	Standby loss of 287 or lower	\$50.00
